Personal Projects

Cake 4 You

Created moodboard, sketches, mockup, and developed a responsive webpage for a strawberry cupcake recipe. Used Figma, Ps, Xd, HTML, CSS.

Photo Gallery

Created moodboard, sketches, mockup, and developed a static gallery-like webpage to showcase my previous photographs taken with a Canon EOS 60D camera. Used Figma Ps, Xd, HTML, CSS.

Vision

Designed an augmented reality phone app mockup to enable interior decor imagination. Used Figma.

Rebuilding Spotify

Developed a refined version of Spotify desktop application. Used Figma.
